# Special Children's Christmas Party

Thank you to our staff who volunteered to assist with the special Children's Christmas Party held at Flemington Showgrounds on December 7.

The Special Children's Christmas Party provides children with special needs a day they will never forget. This year the Melbourne party hosted over 2500 sick, seriously ill, physically and intellectually challenged or disadvantaged children aged between newborn to 12 years of age. This day allowed them and their families the opportunity to have a day of fun and enjoyment and provided them a moment to forget the challenges they face every day.
