Employee Assistance Program

If you are feeling stressed or overwhelmed, remember that help is at hand.

CBN provides access to a voluntary, confidential and complimentary counselling service via our partnership with Access EAP. All employees have access to 2 sessions per year. AccessEAP is designed to assist to develop strategies and behaviours to help deal with difficult situations. If you feel you need to support, simply call AccessEAP 24 Hour Hotline: 1800 818 728 and provide your name and let them know you are from Community Broker Network.
