

Systems and support to empower you

CBN provide a range of online systems to help your business deliver & achieve

HOW TO ACCESS

THE HUB

The LMS

The D.O.C.K.

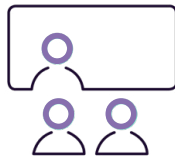

The HUB

- The HUB is CBN's first - class broker **knowledge management centre**.
- Central resource with the **tools and information to support you** to run your business.

BENEFITS

- Centralised resource to access all essential CBN applications – LMI Policy Comparison, LMI Risk Coach, online learning, compliance, etc.
- Key business resources and marketing tools empowering you to plan and grow your business.
- News, market updates, podcasts, upcoming events and information on professional development opportunities ensuring you're at the forefront of insurance knowledge.

The LMS

- The CBN Learning Management System (LMS) allows you to **undertake tailored learning**.
- **Record and access your Continuing Professional Development (CPD)** achievements.

BENEFITS

- Access to learning opportunities offered by CBN.
- An extensive library of all past webinar recordings.
- A centralised platform to track and meet compliance learning obligations.
- Allows you to track your CPD point history, and upload external study certificates so you can have your record of CPD points in one place.

The D.O.C.K.

- CBN's online **governance, risk and compliance platform to achieve best in class AFSL compliance**
- Provides powerful **visibility, reporting and tracking capabilities** in meeting regulatory and AFS licence requirements

BENEFITS

- Robust reporting capabilities to ensure CBN and CBN Authorised Brokers meet regulatory and licence requirements.
- Tracks and schedules essential compliance activities to aid our network in meeting regulatory obligations.
- Efficient and user-friendly way to raise and report potential compliance issues.
