

The D.O.C.K.

CBN's online governance, risk and compliance platform to achieve best in class AFSL compliance.

At Community Broker Network, we are driven to achieve best in class AFSL compliant business practices and quality business operations.

To empower our network in achieving this we introduced the D.O.C.K, CBN's online governance, risk and compliance management platform.

The D.O.C.K. stands for: Disclosures, Obligations, Compliance and Knowledge, and is designed to streamline the way you manage your risk and compliance activities, with the support of our Risk and Compliance Team.

This revolutionary platform provides powerful visibility, reporting and tracking capabilities in meeting regulatory and AFS Licence requirements.

Benefits for CBN Authorised Brokers

Reporting

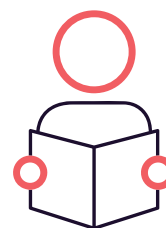

Robust reporting capabilities to ensure CBN and CBN Authorised Brokers meet regulatory and licence requirements.

Tracking

Tracks and schedules essential compliance activities to aid our network in meeting regulatory obligations.

User Friendly

An efficient and user-friendly way to raise and report potential compliance issues.
